Museum & Heritage Fund Advisory Board:

for "Tracks & Trails Museum" Grant Funding:

October 4,2018

Dear Advisory Board Members,

I am writing this letter of support, and asking for your considerations in this matter.

Please consider the Grant Funds requested for the "Tracks & Trails Museum" for the Archival supplies needed to securely preserve many of the artifacts held in the museum.

As a Volunteer I have volunteered many hours cleaning and preserving our Mining, Ranching, Homesteading Families, School and Business Memories and records.

The requested funds will help the Museum properly preserve these records, historical documents, pictures, and materials for generations to come.

Thank You for your considerations toward this Grant request.

Best Regards,

Linda K. Long
