Subject: Money Available for School Projects

School Districts within Routt County,

In accordance with CRS 30-28-133(4)(a)(II), when a County government approves subdivisions and receives fees in lieu of land dedications for school sites, such sums held by the Board of County Commissioners become available for certain school projects. The Board will be awarding monies for projects that qualify based on factors such as value and proximity to the approved subdivision.

Currently, the Routt County Commissioners maintain four accounts containing such monies for the Stagecoach, Steamboat Lake, Milner, and Steamboat Springs areas. Available approximate balances are as follows:

- Stagecoach Area (RE3): \$23,327
- Steamboat Lake Area (RE2): \$119,565
- Steamboat Springs Area (RE2): \$62,597
- Milner (RE1): \$6,514

The Board of County Commissioners is currently accepting requests so that they may distribute these funds to applicable agencies. Requests should be sent to Chad Phillips, Director, Routt County Planning Department, PO Box 773749, Steamboat Springs, CO 80477 or by email to cphillips@co.routt.co.us. Requests must be received by 5:00pm, _____, 2019. The Board of County Commissioners will be awarding these funds on Tuesday, _____, 2019.
