V. BACKGROUND INFORMATION:

We are requesting a waiver of the formal purchasing process to remain consistent with the current vendor who supplied the equipment and has been performing all maintenance and repairs for the Facilities Manager. At the suggestion of the County Attorney, we are bringing the multiple sites under one Professional Services Agreement to reduce the administrative burden on the County and the vendor.

This purchase adheres to the purchasing policy and procedure as cited in the Routt County Purchasing manual 6th Edition, Section 3.3 "Waiver of the Formal Purchasing Process" as to the following criteria:

- A particular material, professional service or service is required in order to standardize or maintain standardization for the purpose of reducing financial investment or simplifying administration.
- Where the process may cause undue delay or hardship for a department.
- Waiver of the competitive process is found to be in the best interests of the County and its citizens.
