Vendor represents and maintains that it is skilled in the professional calling necessary to perform the Services, and that it shall consider all recent proven and tested methods known and successfully employed by recognized professionals in the same discipline in Canada. Vendor shall also cooperate with the County and any other consultants or contractors engaged by or on behalf of the County in performance of the Project. The Vendor covenants to use its commercially reasonable efforts to perform its duties and obligations under this Agreement in an efficient, expeditious and economical manner, consistent with the best interests of the County and the professional standard of care set forth in this Agreement.

SECTION II
RESPONSIBILITIES OF THE VENDOR

1. The Vendor's Responsibilities for Costs and Expenses. Except as otherwise expressly stated herein, the Vendor shall be solely responsible for all costs and expenses incurred relative to the Vendor, personnel of the Vendor and sub-Vendors of the Vendor in connection with the performance of the Services, including, without limitation, payment of salaries, fringe benefits contributions, payroll taxes, withholding taxes and other taxes or levies, office overhead expense, telephone and other telecommunication expenses, and document reproduction expenses.

2. Independent Contractor. The Services shall be performed by Vendor or under its supervision. Vendor shall determine the means, methods and details of performing the Services subject to the requirements of this Agreement. The Vendor represents that it possesses the professional and technical personnel required to perform the Services. The personnel performing the Services on behalf of the Vendor shall at all times be under the Vendor's exclusive direction and control. The Vendor shall pay all expenses, including, without limitation, all wages, salaries, fringe benefit contributions, payroll taxes, withholding taxes, other taxes or levies and all other amounts due such personnel for the Services or due others as a result of the performance by such personnel of the Services. Vendor shall be responsible for all reports and obligations respecting such additional personnel, including, but not limited to, all reports for social security taxes, income tax withholding, unemployment insurance, disability insurance, and workers' compensation insurance.

3. Vendor's Project Manager. The Vendor shall designate and assign a project manager ("Project Manager"), who shall coordinate all phases of the Services and act as the Vendor's representative for performance of this Agreement. The Project Manager shall have full authority to represent and act on behalf of the Vendor for all purposes under this Agreement, and shall be available to the County at all reasonable times. The Project Manager shall supervise and direct the Services, using his or her best skill and attention, and shall be responsible for all means, methods, techniques, sequences and procedures employed by Vendor's personnel, as well as the satisfactory coordination of all portions of the Services under this Agreement.

4. Time of Performance. Generally, CityView's implementation services bench is booked 90 – 120 days in advance. The Town will be added to the schedule after a signed agreement is received. Vendor shall complete the Services to be performed by Vendor under and pursuant to this Agreement by a date mutually agreed to in the accepted project plan. This targeted completion date may be modified by mutual written agreement as a result of the fine tuning of the plan during the first two months after project start. Vendor shall perform the Services expeditiously, within the term of this Agreement, and in accordance with any schedule of services mutually acceptable to the Parties.

5. Software License and Support Agreement. The vendor will provide the software licenses identified in Schedule "A" for the County's use as governed by its Software License and Support Agreement, a copy of which is attached as Schedule "B".

6. Conformance to Applicable Requirements. All aspects of the provision of the Services by Vendor shall conform to all applicable local, state, and federal laws, rules and regulations in effect at the time the services are provided.

7. Insurance. Vendor currently carries insurance coverage for commercial general liability, non-owned automobile coverage, workers' compensation, and errors and omissions policies. Vendor shall supply County with Certificates of Insurance for insurance requirements that fall within the general scope of the present policies that Vendor carries. County has no rights to review the Vendor's policies.

8. Prohibition Against Transfers The Vendor shall not assign, sublease, hypothecate, or transfer this Agreement, or any interest therein, without the prior written consent of the County, such consent not to be unreasonably withheld, except that the Vendor may assign to a successor entity in the event of its dissolution, acquisition,

sale of substantially all of its assets, merger or other change in legal status. The Agreement shall inure to the benefit of and be binding upon the Parties to this Agreement and their respective successors and permitted assigns.

9. Progress. The Vendor is responsible to keep the County Project Manager and/or his or her duly authorized designee informed on a regular basis regarding the status and progress of the Services, activities performed and planned, and any meetings that have been scheduled or are desired relative to the Services or this Agreement. The frequency and form of the updates will be mutually agreed on during the fine tuning of the plan in the first two months after project start.

10. Confidentiality. The Parties each acknowledge that they may receive information from the other Party or otherwise in connection with this Agreement or the performance of the Services. Except for information in the public domain, unless such information falls into the public domain by disclosure or other acts of the disclosing party or through the fault of the receiving party, the receiving party agrees:
    (i)   to maintain this information in confidence;
    (ii)   not to use this information other than in the course of this Agreement;
    (iii)   not to disclose or release such information except on a need to know only basis;
    (iv)   not to disclose or release such information to any third person without the prior written consent of the disclosing party, except for authorized employees or agents of the receiving party; and
    (v)   to take all appropriate action, whether by instruction, agreement or otherwise, to ensure that third persons with access to the information under the direction or control or in any contractual privity with the receiving party, do not disclose or use, directly or indirectly, for any purpose other than for performing the Services during or after the term of this Agreement, any material or information, including the information, without first obtaining the written consent of the disclosing party.

    All report materials, either created by or provided to Vendor in connection with the performance of this Agreement, shall be held confidential by Vendor. Such materials shall not, without the prior written consent of County, be used by Vendor for any purposes other than the performance of the Services. Nor shall such materials be disclosed to any person or entity not connected with the performance of the Services or the Project.

11. No Set Hours/Right to Contract. The Vendor's obligation hereunder is to complete the Services in accordance with this Agreement and to meet any deadlines established pursuant to this Agreement. The Vendor has no obligation to work any particular schedule, hours or days, or any particular number of hours or days. However, the Vendor shall coordinate with the County in achieving the results and meeting the goals established pursuant to this Agreement.

12. Accounting Records. Vendor shall maintain complete and accurate records with respect to all costs and expenses incurred under this Agreement. All such records shall be clearly identifiable. Vendor shall allow a representative of County during normal business hours and with reasonable notice (not less than 7 business days) to examine, audit, and make transcripts or copies of such records and any other documents created pursuant to this Agreement. Vendor shall allow inspection of all work, data, documents, proceedings, and activities related to the Agreement for a period of three (3) years from the date of final payment under this Agreement.

13. Safety. Vendor shall execute and maintain its Services so as to avoid injury or damage to any person or property. In carrying out its Services, the Vendor shall at all times be in compliance with all applicable local, provincial and federal laws, rules and regulations, and shall exercise all necessary precautions for the safety of employees appropriate to the nature of the work and the conditions under which the work is to be performed.

14. Data conversion. In the event that data conversion is required, it is possible there will be anomalies in the data that cannot be reconciled. CityView will convert the data as it is in the database. However, if there is data that does not match the format of the field (i.e. alpha characters in a numeric field), or if there is inconsistent information, CityView either will not bring that data in or the inconsistencies will be converted as is. CityView will report any data anomalies found during the conversion process.

SECTION III
RESPONSIBILITIES OF THE COUNTY

1. Cooperation. The County shall cooperate with the Vendor relative to the provisions of those Services for which the Vendor is responsible. To the extent permitted by applicable law, the County shall provide criteria and information in its possession, or reasonably obtainable by it, as requested by Vendor, and shall make that information and related data available for Vendor's use during the performance of this Agreement. The County shall render decisions required by this Agreement within the time indicated, or if not specifically stated, with reasonable promptness so as not to unduly delay the progress of Vendor's Services.

2. County's Project Manager and Project Staff. The County shall designate and assign a County project manager ("County Project Manager") who shall have full authority to represent and act on behalf of the County for all purposes under this Agreement. The County Project Manager, or his/her designee, shall be the principal officer of the County for liaison with the Vendor, and shall review and give approval to the details of the Services as they are performed, in particular, but not exhaustively, Project Plan, Scope of Work, Acceptance Plans, Statements of Completion, Change Order Requests as they may be required during project implementation. In addition, the County Project Manager shall ensure proper and timely availability of all County personnel required by the Vendor for successful completion of project tasks, in particular, but not exhaustively, Business and Systems Analysts, IT staff, Subject Matter Experts, Users. The County designates Todd Carr, Building Official to be its Project Manager, but reserves the right to appoint another person as County Project Manager upon written notice to the Vendor. Any change to project plan shall be dealt with through the Change Order Management process detailed in Section XI of Schedule D.

3. Project Plan. The County shall be responsible for meeting specific milestones and providing specific deliverables that will be defined in the project plan to be mutually agreed to by the Parties in writing (the "Project Plan"). In addition, the County covenants to meet any turnaround or review times specified in the Project Plan. Should the County fail to meet the agreed milestones or to provide the agreed deliverables or to meet the specified turnaround or review times, the Vendor will inform the County of the consequences thereof and reserves the right to modify the project plan accordingly. Following any fine tuning of the Project Plan during the first two months after project start, the Project Plan shall be agreed upon and signed by authorized representatives of each of the Parties, shall be attached to this Agreement as Schedule "D" and shall be deemed to form part of this Agreement

4. Formal completion statement.   No later than thirty days past go-live of the software solution, the County shall provide the Vendor with a written statement of completion certifying that the solution has been implemented successfully (the "Statement of Completion"). In case of a partial go-live this shall refer to the part of the solution that has gone live.

5. Applicable Taxes and Exemptions. The County shall be responsible for any sales tax due on fees associated with this Agreement. If the County is exempt from sales tax on fees associated with the Services to be provided by Vendor under this Agreement an exempt certificate will be provided to the Vendor prior to the execution of this contract.

6. Allowance for Suspension or Delay due to County.   In the event that the County shall suspend the performance of Services, delay any deliverable date, or cause a delay in performance by failing to fulfill any of its obligations under this Section III then the following shall apply: any applicable delivery schedule shall be extended by a period of time equal to the time lost because of any such delay. The due date for any deliverable   that is dependent on such performance by the County shall be deemed adjusted equitably to allow for the effect of such delay on Vendor's ability to supply or perform such deliverable.

SECTION IV

COMPENSATION

1. Compensation. In consideration of the performance by Vendor of the Services, the County shall pay to the Vendor compensation at the rates set forth in Schedule "A" attached hereto and incorporated herein by reference. Total compensation under this Agreement shall not exceed $404,539 (plus travel and Annual Maintenance fees) without written approval of the County.

2. Extra Service. The Vendor shall not receive additional compensation for any extra service unless such extra service has been authorized in writing by the County prior to the commencement of the extra service, provided that the Change Order Management procedures in Schedule D have been followed. Any changes to the total compensation shall require the County's approval and further agreement between the parties. The County shall pay the Vendor for extra service in accordance with the Vendor's then current services rates. As used herein, "Extra Service" means any work which is determined by County to be necessary for the proper completion of the Project, but which the Parties did not reasonably anticipate would be necessary at the execution of this Agreement or for which initial assumptions driving estimated efforts are no longer valid.

3. Payment of Compensation. The Vendor shall submit invoices to the County in accordance with the payments milestones specified in Schedule A. The County shall make payments to the Vendor thirty (30) days following the date of receipt of the invoice, unless the County disputes the amount of the compensation the Vendor claims it is owed under this Agreement. Any disputed amount shall be handled as discussed herein.

4. Reimbursements. County shall reimburse the Vendor for its direct expenses, including, but not limited to, all reasonable travel and accommodation costs, meal expenses of not more than $65.00 per diem for week days and $110.00 per diem for weekend days (no receipts provided), including a travel time rate of $75.00 per hour, and all other reasonable expenses incurred in the performance of the Consultant's duties pursuant to the budget for "travel and expenses" described in Schedule "A" attached hereto. Reimbursement for expenses beyond the "travel and expenses" line item in Schedule "A" shall occur only if such additional expenses are agreed upon in writing by the Parties.

5. Mediation. The parties agree to submit any claim, controversy or dispute arising out of or relating to this Agreement or the relationship created by this Agreement to non-binding mediation before bringing a claim, controversy or dispute in a court or before any other tribunal. The mediation is to be conducted by either an individual mediator or a mediator appointed by mediation services mutually agreeable to the parties. The mediation shall take place at a time and location which is also mutually agreeable; provided; however, in no event shall the mediation occur later than ninety (90) days after either party notifies the other of its desire to have a dispute be placed before a mediator. Such mediator shall be knowledgeable in software system agreements. The costs and expenses of mediation, including compensation and expenses of the mediator (and except for the attorney's fees incurred by either party), is to be shared by the parties equally. If the parties are unable to resolve the claim, controversy or dispute within ninety (90) days after the date either party provides the other notice of mediation, then either party may bring and initiate a legal proceeding to resolve the claim, controversy or dispute unless the time period is extended by a written agreement of the parties.

SECTION V
REMEDIES AND LIABILITIES

1.   Remedies and Liability.

 The County and the Vendor recognize that circumstances may arise entitling the County to damages for breach or other fault on the part of the Vendor arising from this Agreement. The parties agree that in all such circumstances the County's remedies and the Vendor's liabilities will be limited as set forth below and that these provisions will survive notwithstanding the termination or other discharge of the obligations of the parties under this Agreement.

(1) EXCEPT FOR DAMAGES ARISING OUT OF (a) INJURY OR DAMAGE TO PEOPLE, REAL OR TANGIBLE PROPERTY OR (b) THE VENDOR'S INTENTIONAL MISREPRESENTATION, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, BOTH PARTIES AGREE THAT THE VENDOR'S LIABILITY (UNDER BREACH OF CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE), IF ANY, FOR ANY DAMAGES RELATING TO THIS AGREEMENT SHALL NOT EXCEED THE SERVICE FEES PAID TO VENDOR BY COUNTY UNDER THIS AGREEMENT.

(2) IN ADDITION TO THE FOREGOING NEITHER PARTY SHALL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, PUNITIVE, SPECIAL OR OTHER DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO LOST REVENUE, LOSS OF DATA OR LOSS OF PROFITS, EVEN IF SUCH OTHER PARTY HAS BEEN ADVISED OF THE LIKELIHOOD OF THE OCCURRENCE OF SUCH DAMAGES AND NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.

(3) CLAUSES (i) AND (ii) SHALL APPLY IN RESPECT OF ANY CLAIM, DEMAND OR ACTION BY A PARTY IRRESPECTIVE OF THE NATURE OF THE CAUSE OF ACTION UNDERLYING SUCH CLAIM, DEMAND OR ACTION, INCLUDING, BUT NOT LIMITED TO, BREACH OF CONTRACT, FUNDAMENTAL BREACH OR TORT.

2.   Intent.   The parties hereby confirm that the waivers and disclaimers of liability, releases from liability, limitations and apportionments of liability, and exclusive remedy provisions expressed throughout this Agreement shall apply even in the event of default, negligence (in whole or in part), strict liability or breach of contract of the person released or whose liability is waived, disclaimed, limited, apportioned or fixed by such remedy provision, and shall extend to such person's affiliates and to its shareholders, directors, officers, employees and affiliates.

3.   Remedies.   Where remedies are expressly afforded by this Agreement, such remedies are intended by the parties to be the sole and exclusive remedies of the County for liabilities of the Vendor arising out of or in connection with this Agreement, notwithstanding any remedy otherwise available at law or in equity.

SECTION VI
EXPIRATION AND TERMINATION

1.   Events of Default. Each of the following events shall constitute an "Event of Default":

A.   The Vendor shall fail to observe, perform or comply with any material term, covenant, agreement or condition of this Agreement which is to be observed, performed or complied with by the Vendor, if such failure continues uncured for thirty (30) calendar days after the County gives the Vendor written notice of the failure and the specific nature of such failure.

B.   The Vendor shall commit any fraud, misrepresentation, breach of fiduciary duty, willful misconduct, or intentional breach of any material provision of this Agreement.

C.   The Vendor is adjudged bankrupt, makes a general assignment for the benefit of its creditors or a receiver is appointed on account of the Vendor's insolvency.

D.   The Vendor undergoes a change in control which adversely effects the Vendor's ability to satisfy some or all of its obligations under the Agreement in the discretion of the County (except that no internal re-organization of the Vendor with an affiliated company shall be deemed a change in control);

E.   If the Vendor assigns this Agreement without consent of the County (except that this subsection shall not apply to an assignment by the Vendor to an affiliated company where the affiliated company assumes all of the rights and obligations under the terms of this Agreement).

2.   <u>Termination Upon Event of Default</u>. In addition to any other available legal or equitable rights or remedies, upon an Event of Default by the Vendor, the County shall have the right to terminate this Agreement upon written notice to the Vendor.

3.   <u>Expiration</u>. Unless extended as provided for herein, this Agreement shall naturally expire on receipt of the Completion Statement from the County. The expiration of this Agreement under this term shall neither affect nor require the termination of the License and Support Agreement.

4.   <u>Payment Upon Termination</u>. Upon a termination of this Agreement, the County shall pay to the Vendor the part of the Compensation which would otherwise be payable to the Vendor with respect to the Services which had been adequately completed as of the date of termination, less the amount of all previous payments with respect to the Compensation.

5.   <u>Termination by Vendor</u>. Vendor may terminate this Agreement only upon the breach by the County of a material provision of this Agreement such as the County withholding payment for more than 30 days beyond due date.

SECTION VII
GENERAL PROVISIONS

1.　Nondiscrimination by the Vendor. The Vendor represents and agrees that the Vendor, its affiliates, subsidiaries, or holding companies do not and will not discriminate against any subcontractor, Vendor, employee, or applicant for employment because of race, religion, color, sex, handicap, national origin or any other protected classification under federal or state law. Such nondiscrimination shall include, but not be limited to, the following: employment, upgrading, demotion, transfers, recruitment, recruitment advertising, layoff, termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

For breach or violation of this warranty, County shall have the right to rescind this Agreement without liability. For the term of this Agreement, no member, officer or employee of County, during the term of his or her service with County, shall have any direct interest in this Agreement, or obtain any present or anticipated material benefit arising therefrom.

4.　Subcontracting. The Vendor shall not subcontract any portion of the Services except as expressly stated herein, without prior written consent of the County. Subcontracts, if any, shall contain a provision making them subject to all provisions stipulated in this Agreement.

5.　Waiver. No waiver of any default shall constitute a waiver of any other breach or default, whether of the same or any other covenant or condition. No waiver, benefit, privilege, or service voluntarily given or performed by other parties shall give the other any contractual right by custom, estoppel, or otherwise.

6.　Notices. All notices required hereunder shall be given in writing to the following addresses or such other addresses as the parties may designate by written notice:

Each Party warrants that the individuals who have signed this Agreement have the legal power, right and authority to enter into this Agreement so as to bind each respective Party to perform the conditions contemplated herein.

No supplement, modification, or amendment of this Agreement shall be binding unless executed in writing by both Parties. Provisions of a County purchase order or similar document are not applicable to the extent that they conflict with the terms of this Agreement. Under no circumstances shall the provisions of a purchase order supersede those of this Agreement. 16. <u>Cooperation/Further Acts</u>. The Parties shall fully cooperate with one another in attaining the purposes of this Agreement. As such, the Price Proposal shall be used or disclosed only for evaluation purposes, and for no other purpose whatsoever. Contract Term: 1 Year (renewable annually)

Support Channels: Web, Email or Telephone

Support Requests Allowed: Unlimited

Who Can Report: Individuals who are trained in the use of CityView can report issues to Customer Support.

Hours of Coverage: Coverage hours are 6:00 a.m. to 6:30 p.m. Mountain Standard Time from Monday through Friday, excluding CityView Technical Support observed holidays. (Only those statutory holidays that coincide between Canada and the United states are observed by CityView Technical Support.)

Accessing Support: The preferred method of opening a support incident is to use our CityView Connect Feedback mechanism within the software. Telephone support requests should be preceded by filing a support request within CityView Connect web site, including a detailed problem description. Telephone support requests will be answered live during business days, though staff may be involved serving other customers. If your call is not answered live, please leave a message, including the support request tracking number you received from the electronic filing, your name and phone or pager number. Messages are typically responded to within two hours.

Auto Acknowledgement: CityView Connect will assign a case number, accessible from the CityView Connect Feedback Status web page. Email and telephone correspondence will also result in cases being created and those will be available for review through the CityView Connect Feedback Status web page. Whenever the status of your incident changes, an email notification will automatically be sent to the individual that opened the call.

Request Response Time: A technical support engineer will respond to all requests within the time frames specified in Table 1. Business hours are 6:00 a.m. to 6:30 p.m. Mountain Standard Time from Monday through Friday, excluding CityView Technical Support observed holidays. Only those statutory holidays that coincide between Canada and the United States are observed by CityView Technical Support. We process requests in the order of their priority followed by order of submission.

What we will do if we don't hear back from you: If we don't hear back from you in ten business days, we will close your support request and mark it as "Closed / No response from customer."

Resolution of Bug-Related Requests: We will keep your request open and follow up when a fix is available in a production release. We will also contact you if we post an experimental build that will help with your problem.

What We Need to Help You

CityView wants to be as responsive as possible to your support needs. To accomplish this goal, the CityView customer support staff relies on your knowledge, self-sufficiency, and thoroughness during the troubleshooting process. You reap the benefits from this effort — it allows CityView to focus on the more difficult problems and make the product more robust. It also helps control the amount CityView charges for support.

- **Knowledge:** You should be experienced in the installation, operation, and maintenance of the hardware, desktop, and network operating systems, and applications in your environment before you install CityView.

- **Self-sufficiency:** Please be as self-sufficient as possible when you encounter problems. You can do this by referring to technical documentation for your environment and by searching our CityView Connect Help site to determine if your issue is addressed before you submit it to our customer support staff.

- **Complete information:** As with any troubleshooting process, accurate and timely resolution depends on information. When you request support, please fill in all relevant fields in the request form, provide a detailed problem description, and attach any appropriate log files. Please note that using the CityView Connect Feedback mechanism within the product records most of this information automatically; therefore, it is the preferred way to submit a request to support because it guarantees we get this information with minimal effort from you. Unfortunately, when the request information is incomplete, it will take longer to resolve your issue.

- **Preparation:** If you call us for support, be prepared to provide the same level of information as is requested on the request submission form. You can help reduce the time to resolution by completing the online support request form and attaching files as directed. Then, simply provide us with the request number when you call. In addition, please have immediate access to the computer(s) on which CityView products are running.
