Deliver Appeal To:
County Board of Equalization
P.O. Box 773598 - 522 Lincoln Ave.
Steamboat Springs, CO 80477

NOTICE OF DETERMINATION

DATE: 06/17/2019

SCHEDULE NUMBER		REVIEW #	TAX YEAR	TAX AREA	LEGAL DESCRIPTION OF PROPERTY (MAY BE INCOMPLETE)
R0625911		PR-19-000277	2019	28	PARCEL #: 157800212 UNIT 212 SNOWFLOWER AT STEAMBOAT CONDO
PROPERTY OWNER	LJRALR LLC 11828 W YALE PLACE LAKEWOOD, CO 80228				

The Assessor has carefully studied all available information, giving particular attention to the specifics included on your protest. The Assessor's determination of value after review is based on the following:

RESIDENTIAL - The actual value of residential property is determined solely by consideration of the market approach to appraisal, per § 39-1-103(5)(a), C.R.S.

The Assessor establishes property values. The local taxing authorities (county, school district, city, fire protection, and other special districts) set mill levies. The mill levy requested by each taxing authority is based on a projected budget and the property tax revenue required to adequately fund the services it provides to its taxpayers. The local taxing authorities hold budget hearings in the fall. If you are concerned about mill levies, we recommend that you attend these budget hearings. Please refer to last year's tax bill or ask your Assessor for a listing of the local taxing authorities.

Per statute, residential properties must be valued by the market approach. Sales from the appropriate time period support the current valuation, and your appeal has been denied. Per state statute, sales that occurred between July 1, 2016 and June 30, 2018 were used in the valuation. Based on market conditions, all sales that occurred within the 24-month time period were adjusted in order to reflect a June 30, 2018 appraisal date. This results in a time adjusted sale price or TASP. Condominium and townhome units are then valued by the TASP / square foot. Your current valuation is within 1% of your August 2018 purchase price which will be used in the next reappraisal to help determine values.

Property Owners: This Notice of Determination (NOD) is mailed in two duplicate copies for each property appealed. Should you disagree with the determination made at the Assessor level, you may further your appeal to the County Board of Equalization (CBOE). Please see the backside of this form for detailed information on filing your appeal to the next level. If furthering your appeal, mail or deliver one NOD copy to the CBOE (contact info above) and keep the second NOD copy for your records. The deadline to file is July 15th, 2019.
