Sponsored for Perry-Mansfield Performing Arts School and Camp (grant closed)

- Historic Routt County sponsored a \$10,000 grant request for Perry-Mansfield Performing Arts School and Camp in April 2017. The grant was intended to support two specific line items in Perry-Mansfield's Phase 1 rehabilitation treatments of the Julie Harris Theatre.
- Due to fundraising challenges & staff changes at Perry-Mansfield, the rehabilitation work has been delayed. The board of Perry-Mansfield respectfully returned the grant funds to the Routt County Museum and Heritage Fund in April 2019.

Thank you for your continued support. Historic Routt County and our partners could not do our work without the gracious support, encouragement and funding from the MAHFAB Board.

Sincerely,

Emily Katzman
Executive Director
