RE: CLEF Project – PCO 66 – Replace existing light poles with new

Dear Joni:

Please find attached pricing to supply and install new type AA light fixtures in place of the existing exterior light poles per request of ownership. To accept the new work, total pricing is in the amount of \$9,888.

We are prepared to move quickly into this work upon authorization.

Please do not hesitate to call with questions at your earliest convenience.

Owner Authorization and date

Sincerely,

A handwritten signature in black ink, appearing to read 'L. Eggert', is placed above the printed name.

Lauren Eggert
Project Engineer

COMBINED LAW ENFORCEMENT FACILITY
