Board of County Commissioners

Tim C., Beth and Tim R.,

It is with mixed emotions that I tender my resignation as Rout County Clerk & Recorder with my last day at the County being December 6, 2021.

I would have preferred to work until my term ends in January, 2023 but family events that took place this year have spurred me to retire sooner. My dedication and passion to the office will continue and I will be available should questions arise.

Due to the unique aspects of the office in administering Federal and State laws and rules, I feel that it is imperative that someone with direct experience working in a County Clerk's office be appointed as Interim County Clerk through the end of my term. I am happy to offer a recommendation of someone who has worked in all areas of the Clerks' office, including running many elections.

It's been a privilege and a pleasure working with you and for the County in the thirty plus years that I've worked in the County Clerk & Recorder's office. There will never be any regret on my part that I spent all these years working in public service to the Routt County residents.

Kind Regards,
