Job 39331: Emergency Services Coordinator

Protective Services

Responsible for assisting in the planning, developing, and implementing the programs and projects of the emergency management operations. Identifies potential city/county emergency hazards. Develops and implements appropriate strategies, training and action plans for incident command plans and disaster response and recovery. May include life-sustaining utility services. Coordinates and participates in multi-agency fire/medical incidents. Assists in the coordination and balancing of emergency management activities with those of other divisions or departments, governmental agencies, or community organizations. Typically requires bachelor's degree and 3-5 years experience in emergency service functions. This is a Non Supervisory position.
