The Assessor has carefully studied all available information, giving particular attention to the specifics included on your protest. The Assessor's determination of value after review is based on the following:

COMMERCIAL – The actual value of the property is based on appropriate consideration of the cost approach, market approach, and income approach to appraisal, per § 39-1-103(5)(a), C.R.S.

RESIDENTIAL - The actual value of residential property is determined solely by consideration of the market approach to appraisal, per § 39-1-103(5)(a), C.R.S.

The Assessor establishes property values. The local taxing authorities (county, school district, city, fire protection, and other special districts) set mill levies. The mil levy requested by each taxing authority is based on a projected budget and the property tax revenue required to adequately fund the services it provides to its taxpayers. The local taxing authorities hold budget hearings in the fall. If you are concerned about mill levies, we recommend that you attend these budget hearings. Please refer to last year's tax bill or ask your Assessor for a listing of the local taxing authorities.

We have corrected our files based on information submitted with your appeal. The changes have resulted in an adjustment to your property value. Thank you for your assistance in improving our assessment records.

Property Owners: This Notice of Determination (NOD) is mailed in two duplicate copies for each property appealed. Should you disagree with the determination made at the Assessor level, you may further your appeal to the County Board of Equalization (CBOE). Please see the backside of this form for detailed information on filing your appeal to the next level. If furthering your appeal, mail or deliver one NOD copy to the CBOE (contact info above) and keep the second NOD copy for your records. The deadline to file is July 15th, 2022.

We would like to appeal the classification of Lot #1. To change the proposed

We will provide a full reasoning at the hearing. If possible, we would like to bypass the CBOE meeting and go directly to the BOAA hearing. I was told by the Assessor's office that there is an administrative process for this, so the CBOE would not be necessary. Please eMail scotthoffner@gmail.com as to whether this is possible.
