Routt County Commissioners
Post Office Box 773598
Steamboat Springs, CO 80477-3598

Dear Commissioners:

The Town of Hayden is once again planning on spraying for mosquitoes over our municipal boundaries and in Routt County surrounding our boundaries starting this spring. We are requesting again this year the Routt County Commissioners grant permission for this spraying. As in the past we will directly notify those who may be affected and work with those who would like to be included. We will meet with you to discuss further details of this years plan if you would like.

If granted, public notification will be given in the form of public service announcements on radio, on our public television station and through locally posted signs. If you have any questions, feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "James M. Haskins".

James M. Haskins
Mayor
