Colorado Residential Energy Upgrade (RENU) Loan

The RENU Loan program is a statewide residential loan program, sponsored by the Colorado Energy Office (CEO), that makes home energy upgrades easy and affordable by offering low-cost, long-term financing for energy efficiency and renewable energy improvements.

Colorado RENU Loan Terms

- Loans from \$500 to \$35,000
- Up to 100% of the project cost
- Competitive, fixed interest rates starting at 2.75%
- No-money down financing for up to 15 years
- No pre-payment penalties

What can you finance?

- HVAC equipment (furnace, A/C, whole-house fan, water heater, etc.)
- Insulation and air sealing
- Windows
- ENERGY STAR appliances
- Solar PV and solar thermal

Take control of your energy costs and make your home more comfortable today!

Go to www.corenuloan.com for information.

Here's how to participate

1. Work with a RENU-authorized contractor to identify qualifying energy improvements and a project cost estimate for your home. To find a contractor near you, go to www.corenuoloan.com.
2. Apply for the loan through Elevations Credit Union by calling **800-429-7626** or online at www.elevationscu.com/energyloans.
3. Contractor installs Colorado Energy Office-approved eligible energy measures.
4. Customer signs the loan closing documents either in person or electronically. Once signed, Elevations will pay the contractor directly.
5. Start enjoying your home energy improvements and begin repaying the loan directly to Elevations Credit Union.
