

To Whom It May Concern~

I am writing to express my interest in serving as a District 2 Representative for the Purchase of Development Rights Board in Routt County.

Over 20 years ago, I served as the first Chair of the PDR Board and now that I am retired, I am interested in returning to serve on the PDR Board. My experience lies in ag land conservation and preservation, and community service in Routt County. Please see my attached resume for more information about my qualifications and experience.

In December 2021, I retired from a career with CSU Extension in Routt County and the State of Colorado. I have recently accepted a volunteer position serving on the Community Agriculture Alliance Board of Directors. I feel serving on the PDR Board would complement that work and those efforts in Routt County.

Thanks for your consideration. Please reach out to me if you require further information.
