The Assessor has carefully studied all available information, giving particular attention to the specifics included on your protest. The Assessor's determination of value after review is based on the following:

VACANT – The actual value of the property is based on appropriate consideration of the cost approach, market approach, and income approach to appraisal, per § 39-1-103(5)(a), C.R.S.

The Assessor establishes property values. The local taxing authorities (county, school district, city, fire protection, and other special districts) set mill levies. The mill levy requested by each taxing authority is based on a projected budget and the property tax revenue required to adequately fund the services it provides to its taxpayers. The local taxing authorities hold budget hearings in the fall. If you are concerned about mill levies, we recommend that you attend these budget hearings. Please refer to last year's tax bill or ask your Assessor for a listing of the local taxing authorities.

Upon review of the information you provided and additional research, your property does not meet the qualifications for agricultural classification as defined in Colorado Revised Statutes. Per phone conversation on 5/16/2022 with R. Gelling, property was not used in 2021 by Randy Hunter. This was confirmed by inspection on 11/7/2021. It is your responsibility to ensure any lessee uses the property for grazing each year.

Property Owners: This Notice of Determination (NOD) is mailed in two duplicate copies for each property appealed. Should you disagree with the determination made at the Assessor level, you may further your appeal to the County Board of Equalization (CBOE). Please see the backside of this form for detailed information on filing your appeal to the next level. If furthering your appeal, mail or deliver one NOD copy to the CBOE (contact info above) and keep the second NOD copy for your records. The deadline to file is July 15th, 2022.
