RE: Extension Request – DOLA Grant EIAF #9158 for Routt County – Communities of Milner and Phippsburg Wastewater Treatment Systems

Ms. Boozell,

Grant Agreement EIAF #9158 from the Department of Local Affairs was executed on May 23rd, 2022 for funding assistance to complete baseline design and engineering for the Milner and Phippsburg Wastewater Treatment Systems (Routt County). The grant expiration date on the executed contract is currently December 31, 2022. Although work and final billing is expected to be complete by the termination date Routt County, as a precaution, is requesting the contract period for the grant be extended for three months until March 31, 2022.

We apologize for any additional administrative burden as a result of extending the contract period. Please let me know if you have any questions or concerns and thank you for your consideration.

Sincerely,
ROUTT COUNTY BOARD OF COUNTY COMMISSIONERS

M. Elizabeth Melton, Chair
