*Re: Nomination to fill Seat Seven - General Business*

Dear Yampa Valley Airport Commission:

Randy Rudasics' term in Seat Seven - General Business will expire on June 30th, 2023. Per the Yampa Valley Airport Commission IGA approved on August 13, 2020, the Steamboat Springs Chamber nominates Keith Hensley for appointment to Seat Seven - General Business, a four-year term.

The Steamboat Springs Chamber Board of Directors was notified of the upcoming opening and during their May 11th, 2023 board meeting I solicited recommendations to fill the upcoming opening. Subsequently, the Executive Committee of the Board of Directors agreed to nominate Keith Hensley with the Chamber's full support to fill Seat Seven - General Business on the Yampa Valley Airport Commission.

Keith Hensley leads Routt County Economic Development Partnership's business retention and expansion program and is recognized for his work supporting local business owners to both retain and expand their businesses in Routt County. We know that Keith will be an engaged and valuable member of the YVAC and will be a thoughtful voice sharing the business community's perspective, as well as serving as an ambassador of the YVAC within our county's business community.

Please contact me via email at [sarah@steamboatchamber.com](mailto:sarah@steamboatchamber.com) if you have any questions.

Sincerely,

*Sarah*
