RE: Open Committee Position

Good afternoon,

I would like to be considered for one of the vacancies on the YVAC. I have worked for SkyWest and United Ground Express for the past 9 years and have an interest in future operations of the airport. I believe my background at the airport, as well as my 36+ years of experience in the real estate and general business arenas, will help me provide some level of insight into projects to be considered by the airport commission. I look forward to the opportunity to discuss this in more detail if there is interest on the part of your committee.

Thank you for your consideration.

Sincerely,

Michael Stern
