Dear Routt County Historic Register Applicants:

Welcome to the Routt County Register of Historic Properties designation process! This Application Kit has been prepared to assist you in nominating your very important property to the Routt County Register of Historic Properties. Designation is a voluntary and an honorary distinction.

The Routt County Historic Preservation Board (RCHPB) was established in 1993 by the Routt County Commissioners and meets quarterly to review applications and make recommendations to the County Commissioners for approval of designation. Applications are due one month before the RCHPB meets. Within a month after the RCHPB meets, the County Commissioners hear the RCHPB designation recommendations in a public meeting and vote to designate properties. Applications then are archived by the County and are available to the public and future generations for the important historical information they contain.

The RCHPB application approximates History Colorado requirements for State designation to enable applicants to more readily apply for designation at other than County level.

Your Routt County Register Application Kit contains the following documents:

- **Routt County Historic Register Designation Process Checklist**
- **Helpful Hints for Completing Application**
- **Appendix A: Additional Historic Preservation Contacts**
- **Routt County Historic Preservation Board Application Form**

Contact The HPB Staff Assistant at 879-0108 or spearce2@co.routt.co.us, or Historic Routt County, a non-profit organization dedicated to preserving the built environment, at 970-875-1305 or admin@historicrouttcounty.org for assistance in researching, preparing, and submitting your application to the Routt County Historic Register.

Good luck with your application. The Historic Preservation Board looks forward to assessing your property for future designation and recognizing its historic importance and significance to the rich heritage of the Yampa Valley.

Sincerely,

Samantha Pearce
HPB Staff Assistant

The Routt County Historic Preservation Board is interested in any pertinent information, such as copies of newspaper articles, excerpts from books, etc. This information is kept in the nomination file and becomes an important addition to the written record of Routt County History. In addition to copies of printed information, RCHPB recommends including a history of property ownership as found in the Property Ownership Book, located at the Routt County Assessor's Office, and pertinent copy(ies) of historical map(s), such as the Sanborn Map

Company's fire district maps. When listing the history of property ownership, be sure to specify the parties listed as either sellers (Grantors) or buyers (Grantees).
