	Identifier _____

**SUBMITTAL CHECKLIST  
 OIL & GAS (EXPLORATION/PRODUCTION)**

*This checklist shall be completed by the staff planner at the pre-application meeting and must be submitted online. Failure to submit all required information may delay the review of the application. **Applicant is responsible for notice to mineral interest owners (refer to Mineral Interest Notice Requirements).***

*To the extent possible, Routt County encourages applicants to utilize COGCC application materials to satisfy the submittal requirements noted below.*

Project Type \_\_\_\_\_ Special Use Permit \_\_\_\_\_ Planning Type \_\_\_\_\_ Oil & Gas \_\_\_\_\_

- Application fee \$2000
- Table of contents for application package
- Proof of mineral ownership: Deed or Assessor's Property Record Card
- Statement of Authority, if required
- Written narrative / detailed description of subject site and proposed use, including the following information, as applicable:
  - Project Overview (project description; projected drilling dates; equipment used; employee information (number, work shifts, on-site housing, sanitation facilities, grey water disposal, off-site housing, transportation); etc.)
  - Operation Plan (drilling (include well bore diagram); completion; production; site monitoring; flaring; parking; etc.)
  - Transportation Overview (access route; onsite traffic circulation; vehicle information (type, size, weight, number, and frequency of vehicles); etc.)
  - Geologic hazard summary
  - Hydrologic hazards summary
  - Weed control plan (during operations and reclamation)
  - Reclamation plan (interim and final)
  - Compliance with Sections 5, 6, and 9 of the Routt County Zoning Regulations
- Mitigation Plan for any significant negative impacts (Refer to Section 6, Routt County Zoning Regulations) including, but not limited to:
  - Air pollution control measures
  - Dust control measures
  - Wildlife mitigation measures
  - Visual impact mitigation measures
  - Water monitoring plan
- Vicinity/location map
- Existing conditions map of subject site illustrating existing improvements, geologic hazards/characteristics, steep slopes (>30%), water bodies, soils, vegetation, wildfire hazards, and critical wildlife habitat
- Access road map(s)
- Well location plat/survey drawing
- Topographic map
- Hydrology map
- Water monitoring map illustrating location of all water wells, seeps, and springs within one-half mile of site
- Site photographs

**SUBMITTAL CHECKLIST  
OIL & GAS (EXPLORATION/PRODUCTION)**

- Construction layout drawing with 2-foot contours
- Construction layout cross-section
- Rig layout drawing
- Production facilities layout drawing
- Reclamation layout drawings (interim and final)
- Plan and profiles for proposed access road
- Traffic Impact Study (*per Public Works Department standards*) if required
- Transportation Summary Information (*per Public Works Department standards*), if Road Engineering Study is required
- CDOT Access Permit (submitted or approved), if applicable
- Federal Aviation Administration (FAA) documentation, if required by FAA
- Yampa Valley Regional Airport vicinity map, if applicable
- Wildlife and biological resource summary
- Stormwater Management Plan (State permit or letter of approval)
- Copy of COGCC Form 2 and Form 2A (submitted or approved)
- Emergency Response Plan (site map, directions to site, emergency response procedures\*)
- Additional information as required by Planning Director \_\_\_\_\_

\*Emergency response procedures may refer to previously approved Emergency Response Plan on file with the Routt County Office of Emergency Management. *Note: Site map and directions required for all applications.*
